

Imagine renting skis for free...

HOW IS THAT POSSIBLE?

If you decide on a pair of Stöckli skis of the current season, a truly unforgettable ski day awaits you.

But there is also a little bit of bad news; After experiencing the ride on these skis you will be quickly hooked – you could even become addicted.

If this happens, we won't leave you hanging. **Nope, we'll give you the rental for free!**

How? ... it's simple:

- 1 Enjoy a superior ski day with your rented 2018–19 Stöckli skis.
- 2 Within 20 days after your rental, purchase a new pair of Stöckli skis from the current season at the same GetMySki Pick-up Point.
- 3 Send us your purchase receipt including the rental reference number to **hello@getmyski.com**, and get your rental fee refunded by us (up to CHF 100) in 20 days or less!

Have fun on the slopes!
Regards, your GetMySki team
